### WHEN AN EXPLOSION OF COLOUR IS WARRANTED

Embark on a culinary adventure with our Cappelletti Collection—an exquisite array featuring spinach infused, plain cheese or a splash of tomato red, each generously filled with a luxurious blend of savory cheeses. If your patrons are craving meat fillings, we offer a beef/chicken combination as well as a pure chicken selection.

Crafted with a harmonious fusion of flavors, our Cappelletti varieties provide a canvas for endless culinary possibilities. Redefine excellence in your offerings and allow these delectable parcels to steal the spotlight, creating a taste that lingers on every plate.

***Our Cappelletti products are available individually or in a rainbow configuration. Whether you are looking for a specific colour or simply want the full colour pallet these delicious bite size pasta products will delight.***

### **COOKING INSTRUCTIONS:**

1. Boil water in a large pot, allowing sufficient room for the cappelletti to cook. Salt the water to taste.
2. Once water is fully boiling, place frozen cappelletti into the pot.
3. Gently stir the cappelletti with a wooden spoon.
4. Cook for 8 – 10 minutes depending on the level of firmness you require.
5. Use a slotted spoon to gently remove pasta from the pot.
6. Drain and serve with your favourite sauce.

### **INGREDIENTS - ALL VARIETIES:**
